The 1980 Moo
reflects the end of an
era of Holstein High
School. That era
shaped the lives of
many, set records,
and created many
memories...

These memories differ as much as the people who made them! The people, voices, and laughter will still fill the halls. So much has happened here—good and bad. We've laughed and cried, loved and hated, most of all we've grown up. Experiences we've encountered here will never be forgotten . . .

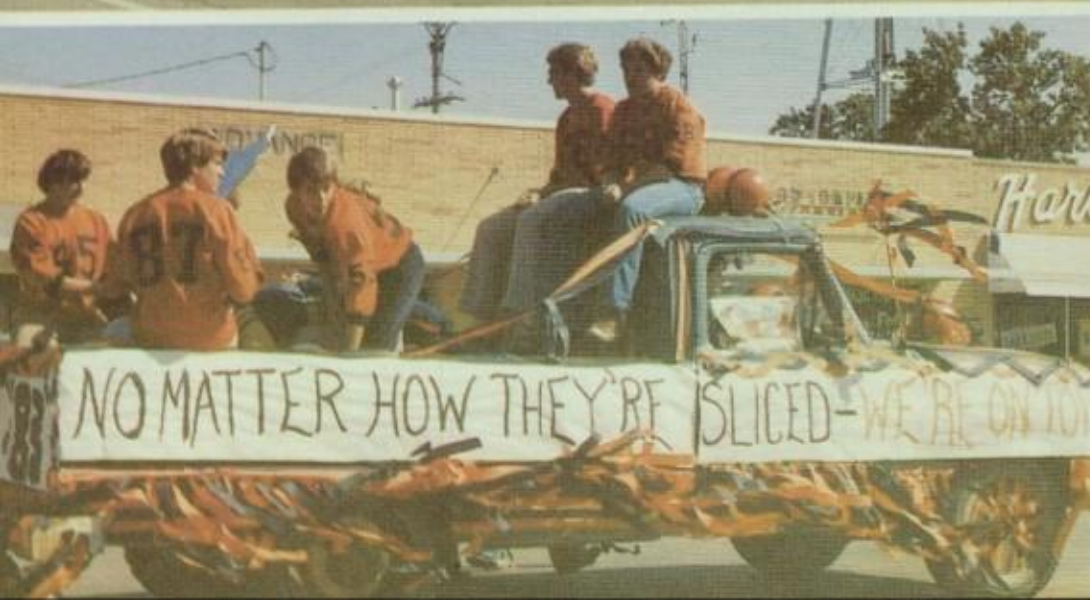

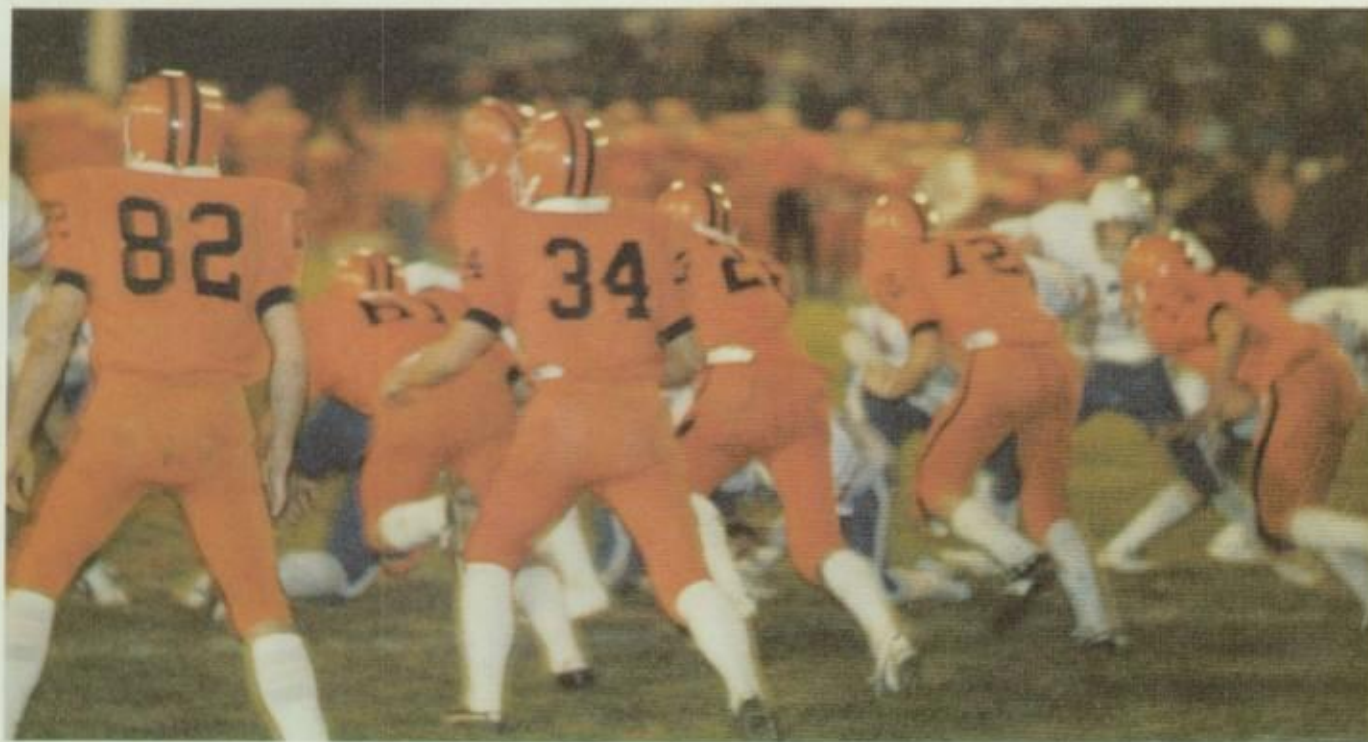

We hope the words and photos in this book will remind you of your days at H.H.S. We dedicate this MOO to the people who were here before us with all their memories of Holstein High School.

Last Holstein Homecoming

Spirit was high throughout the week of September 24 as were the hopes of a victory over the Westwood Rebels. The week started off with "Round Up a Victory Day", with everyone dressed as cowboys. Tuesday was "T-Shirt and Button Day" with Wednesday as "Over-All Em Day". Students were properly attired for the tug-of-war. The Senior class were the victors. Thursday was "Dress-Up Day" and in the evening Holstein's version of the "Gong Show" started the pep rally. Finally the lights were dimmed for the coronation ceremony.

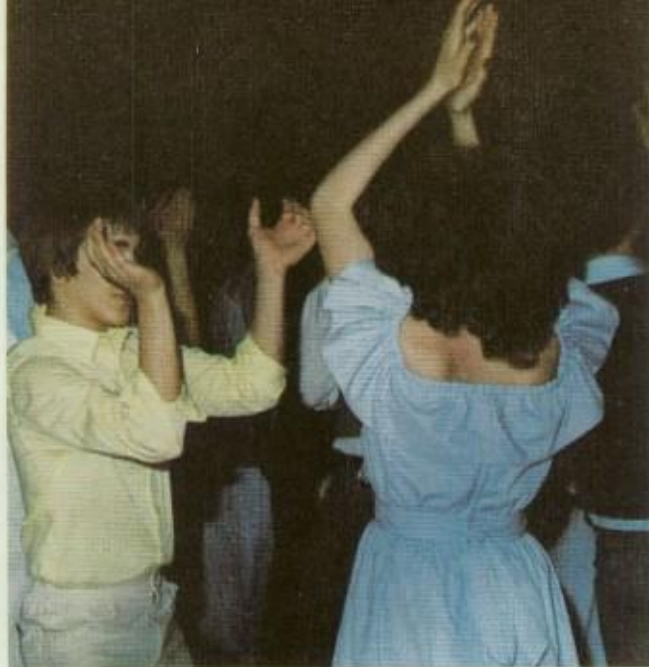

Mary Oakley and Tom Lamp reigned as King and Queen with Wendy Jensen, Steve Meyer, Marilyn Friedrichsen, and Kent Peterson as their attendants. Lindy Barringer, daughter of Mr. & Mrs. Dale Barringer, and Anthony Sindt, son of Mr. & Mrs. Jerry Sindt, acted as crownbearers.

Friday morning each class decorated pick-ups, using the "Candy Bar" theme while the Junior High decorated windows of businesses. Ardell Downs was honored as Grand Marshall of the parade. Announced as the winners of the parade at the pep rally was the Sophomore class. Playing a good game in the evening, the Pirates defeated the Rebels, 28-0. A successful homecoming week came to a close with the dance held at the Country Club with music by a D.J.

Formal Farewell

Hours of planning and preparation resulted in a successful Prom for the juniors and seniors on Saturday, April 12th. The banquet was served in the Methodist Church by Greg Graff, Cheri Bruning, Steven Billings, Steph Drury, Melanie McGuire, Kevin Koeppen, Michelle McGuire, and Brad Goettsch. Geoff Lohff gave a prayer before the roast beef and ham dinner. The traditional welcome was given by Tom German with Don Ellerbusch responding. The Senior Class History was read by Nancy Dittmer and Laura Cronin read the Wills. The banquet drew to a close with Micki McGuire and Liz Soseman singing the theme song, "Sharin' the Night Together". "Suade" played for the dance at the Country Club. The highlight of the evening was the crowning of Clair Schubert and Tom Lamp as our Prom Queen and King. After the dance, the Music Mothers provided the movie "1941", and a tavern lunch. The Seniors will surely hold onto the last Prom as one of their very special memories of their high school years.

T & I Students Get Jump On Careers

This is the eleventh year for the Trades and Industry program which offers the students the opportunity to learn about the world of work. By combining classroom activities, discussing areas of safety, workmen's compensation laws, investing, credit, employment and labor laws, and career investigation, and actual work experience, the students obtain a well rounded knowledge of what the world of work is all about. Thirteen Holstein businesses took part in this cooperative education program. Mr. Euchner was the teacher and advisor of these fifteen seniors.

Communications Class Tries New Adventure

Creativity was the goal of the Communications Class which met during the second semester this year. Sixteen seniors signed up for the class to learn a little about both speech and journalism. There was no hierarchy in the group and all of the students shared equally in the tasks of production. The newspaper has been called "The Pirateer" since the late 1950's and before that time existed under the title of "The Hi'Larity." The publication hasn't been around under any name for nearly two years, but the Holstein high school communications class hopes to change that with "The Pirateer" 1980, being published every two weeks.

From the 1917 volume, we quote: "The Class of 1917 submit for your approval the first volume of 'The MOO.' We do this with a certain amount of pride for it is the first successful attempt yet made to produce an annual at Holstein High School. It is our sincere hope that the classes that follow us will not permit a lapse in the publication of 'The Moo.' (No MOO was published in 1922).

"In order that we might choose a suitable name for the annual, a contest was instituted. We believe that the name selected is best suited to our needs. It is the desire of the class that 'The MOO' shall be the permanent name of the Holstein High School Annual, also, that the Annual shall be in the colors of the school, Orange and Black." (Many colors have been used.)

Catherine Fisher, who was a member of the Commercial Department at Holstein in 1917, was the person who gave the annual its name. She later became the Mother of Mitzi Gaynor, well-known Hollywood actress.

Athletics Build School Spirit

Victory is one goal all athletes strive for. It can be on the court, on the field, or on the track.

Athletics play a very important part in an education. Not only does it keep student interest in school, it helps kids to learn to work together.

As always, there were people who wondered if the school spirit could have been better, but, sports brought out the spirit in almost everybody at HHS this year. When a student is out working for a win, there is nothing so important as to have his fellow classmates sitting in the stands yelling for him.

A student athlete has to spend hours of rough practices and also spends many hours working on his own. That usually pays off, and for the most part, did at Holstein this year.

It was once said that so much is learned in athletics that even if you lose the game, you are still a winner. You can't always win, but you can sure give it your best shot all the time.

Games We Play

Well, this is it. After so many years, we suddenly can see the end of Holstein High School coming near. There is so much to remember, and a few times we would rather forget! But when it's all over, it's the good times that will remain in our minds. These have been important years—years worth remembering. That has been our goal all year long—to keep all those memories of this last year fresh in our minds by way of this yearbook. So here are your last teams for Holstein High School!

John Myrtue

Bobby Luken is a baseball fan. He is also the bat boy for the team and all the boys chipped in and bought him a baseball shirt just like theirs. He has to be the best dressed bat boy in the Maple Valley Conference.

Tim Yates

Mitch Fritz

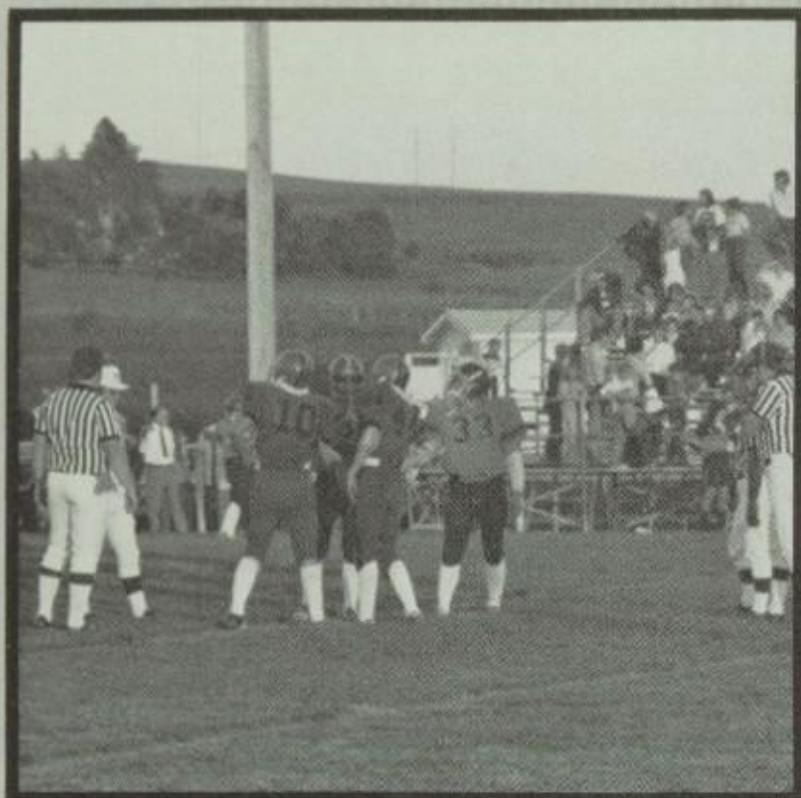

The 1979 Summer Baseball season was a very successful one. Team Captain, John Myrtue, was the first Holstein player elected to the All-Conference 1st Team. John also had the distinction of pitching three shut-out games this year by blanking West Monona 5-0, Galva 4-0, and Meriden-Cleghorn 5-0.

Several other factors made the year a success. The team had a very fine team batting average of .309. This was caused by these players strong averages: Tom Lamp .429; Steve Meyer .381; Mitch Fritz .359; Tim Yates .343; John Myrtue .310; and Steve Cipperley .286.

The team will be intact next year except for graduated senior, John Myrtue, who will be a significant loss as he was the ace pitcher and a stabilizing influence in the infield. But with only one loss, the boys should have plenty to build from next year.

Other honors were to Tom Lamp, Most Valuable Player, Tim Yates, Most Improved Player, Steve Meyer, 2nd Team all-conference, Tom Lamp, 2nd Team All-conference, and Mitch Fritz, honorable-mention all-conference.

Girls Improve Skills

Spiking, set ups, and bumps were techniques which were practiced by the Volleyball girls. Coach Kaus started working out with the girls at the beginning of the school year and helped them improve on their game. One of the highlights of the season was at the final game before sectionals when they honored their mothers, the team won over Alta 16-14, 15-9, and 15-8.

This was the first season with a full schedule of volleyball and was a winning season. Although five seniors will be graduating, there are many members returning who will have a lot of experience. Post season honors went to the following girls:

Clair Schubert, Co-captain, 1st team Ida County Courier, most ace spikes.

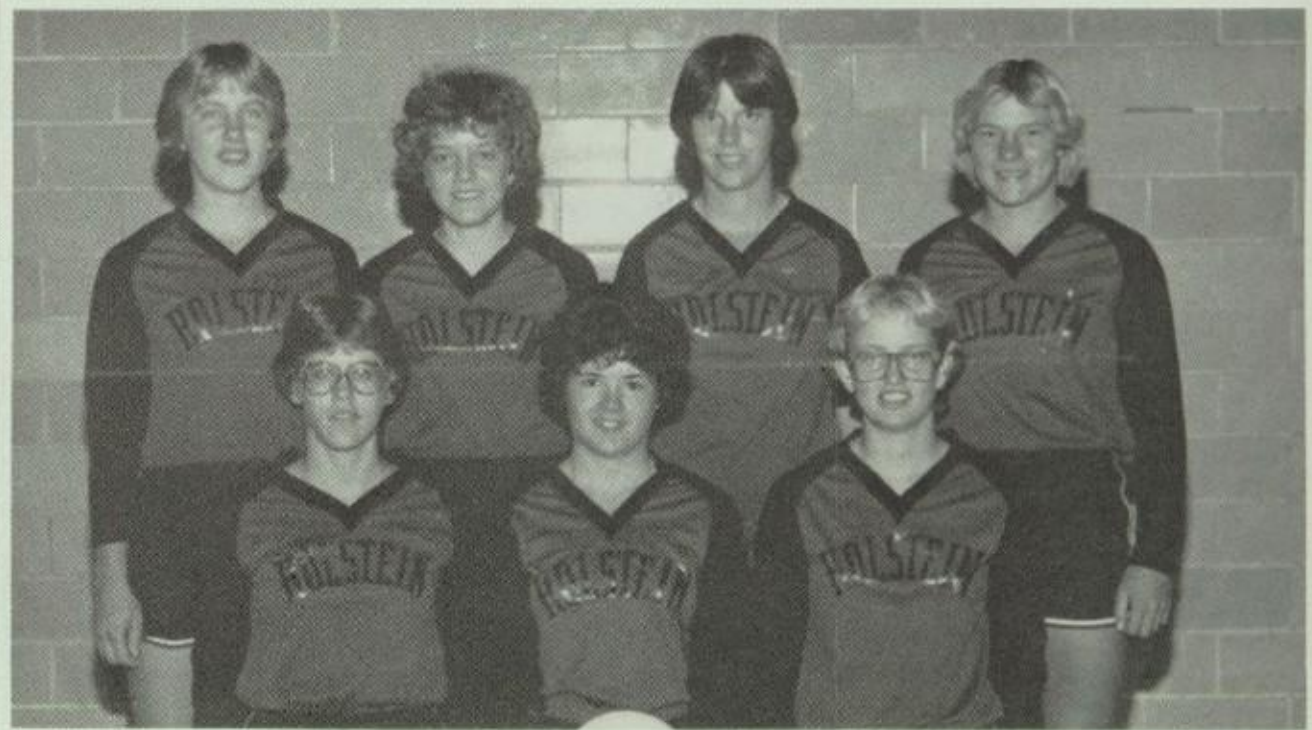

Marilyn Friedrichsen, Co-captain, Honorable mention Ida County Courier, scored the most points.

Lisa Sorensen, 1st team Ida County Courier, scored the most ace serves.

Pirates Capture Sectional Honors

The boys tried something different this year before the season's first game, they had an all-night practice session, spent the night in the gym, and then had an early morning practice before school. Good results were received from this concentrated coaching program. The Pirates finished the season with a 11-9 record and a 5-3 finish in the Maple Valley Conference. Highlighting the season were victories over Alta, a feat that had not been accomplished for many years, victory over Woodbury Central, who at the time of the defeat was surging for the conference lead.

Finishing the season as sectional champions, the Pirates performed very well with wins over Crestland and a thrilling victory over Sac City in the finals. The Pirates were taken out of the district tournament by a fine Battle Creek team. With a team field goal average of 46% and with the defense holding the opponents to an average of 49 points per game, the Holstein team was in the action of every game. Basketball is exciting, fun, and a great game, so with a large group of lettermen returning the outlook is good for next year.

Honors going to the Pirates:

Kent Peterson, Co-Captain, 2nd Team All-Conference, Courier All-star team, Most Valuable Player

Steve Meyer, Co-Captain, Honorable Mention All-Conference, Honorable Mention Courier All-star team

Piratettes Gain Revenge In Sectionals

Seniors: Becky Endrulat, Betty Boock, Marilyn Friedrichsen, Karen Goettsch, Suzy Voss, Carrie Breyfogle, Mgr.; Linda Schuett.

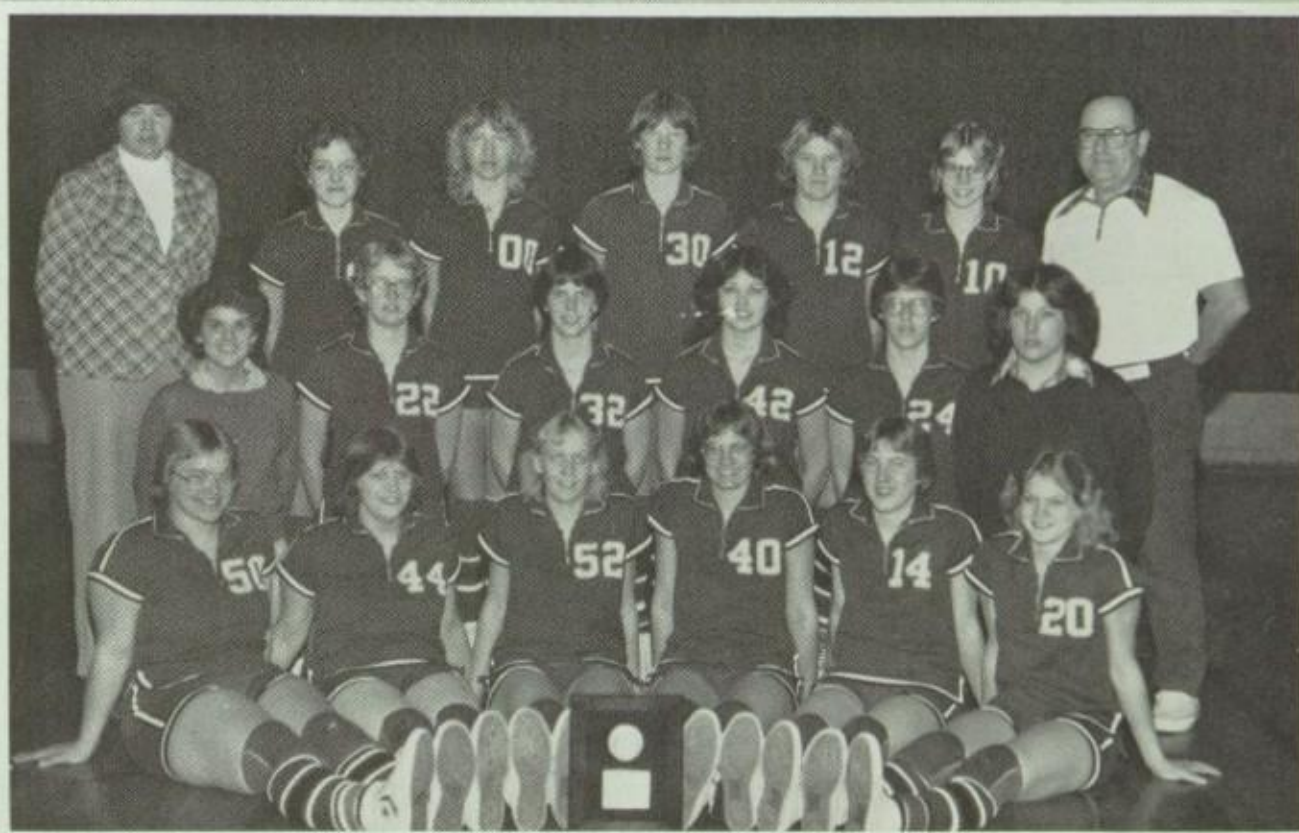

In the first round of sectional play, Holstein's Piratettes revenged an earlier loss to the Woodbury-Central gals by turning in a 48-44 win. The guards did a good job, and the forwards didn't make many mistakes. Crucial points were picked up at the line. However, Holstein had to settle for runnerup honors in the sectional, losing to Kingsley-Pierson. This is the first year the girls have not had a consolation game. As in boy's play, one loss and you are out. The loss ended the Holstein season at 5-15.

Post season honors:

Betty Boock, Tri-Captain, Honorable Mention All-Conference, Courier All-Star team, Most Valuable Player
Becky Endrulat, Tri-Captain, Honorable Mention All-Conference, Honorable Mention Courier All-Star team

Marilyn Friedrichsen, Tri-Captain, Honorable Mention Courier All-Star Team

Row 3: Asst. Coach, Jane Hammer, Nina Barringer, Tammy Huenecke, Marlys Gehrts, Lisa Sorensen, Joni Kay, Coach Lasher.

Play By Play

Grit And Strain

It was a good season—a fun season. The Pirates showed steady improvement through the season and the statistics prove it. The team won 143 matches during the year, up 50 from the previous year's total.

In addition, the Pirates nearly doubled the number of pins they earned during the previous year and gained 45 more takedowns.

Steve Sorensen placed first in the sectional tournament and Ron Rice grabbed second place allowing both to compete in the district. During the season much of the team's strength came from the five seniors. Next year the squad should be larger because of the Galva-Holstein reorganization. Also the team should improve through weight-lifting, freestyle wrestling and wrestling camps. A new weight machine was received this spring as a memorial to Kent Fick, a graduate of the Class of 1967.

Varsity and J.V. Wrestlers Front row: Bryan Davis, Dan Baker, Steve Baker, Brad Kelley, Brian Regennitter. Row 2: Randy Hargroves, Harry Oakley, Gregg Graff, Jay Sokolowski, Steve Conover, Steve Sorensen. Row 3: Kevin Koeppen, Myron Gehrts, Don Rice, David Scherner, Ron Rice, David Baker.

Forty-second Annual Holstein Relays

When we think of track, the Holstein Relays immediately come to mind because it is "The Best Run Track Meet in Iowa." This meet always runs ahead of schedule which proves the superb organization by Coach Kraai and all involved in the meet. Frank Buckingham of Cherokee, sports announcer for KCHE was the Honorary Referee. Kelly set a new Holstein Meet Record in the high hurdles with a :15.8 clocking.

In the rain, in the pouring rain, five tracksters qualified in the District Track meet to send them to the State Meet in Des Moines. Kent in the long jump, Kelly in the 120 yd. high hurdles and the 440 relay team of Steve, Mitch, Kent and Ron. Holstein had the third-best time among schools at :46.3 and Kelly ranked fifth as they departed for Des Moines. At the state meet Kelly's time of :15.9 was 3rd in his heat, but was 9th overall and just eight qualified for the finals. Our 440 team brought home 4th place honors in Class C with a time of :45.2. The boys made the entire school proud of them all and the future does look bright.

Freshmen Remember Initiation

The Class of 1983 was initiated into H.H.S. in September. The ceremony was similar to others of its kind—very informal, costumes, cakes, perfume, lipstick, shaving cream and more. The characters, soon to be full-fledged Freshmen, carried the Senior's books to classes, some had to sing, and others just got laughed at. After school, a party was held in the courtyard for pictures, cake eating, and celebrating. The Class of 1980 were officially Seniors, and the Class of 1983 were Freshmen.

Holstein high school's fine arts department presented "**Harvey**" as its spring dinner theater production. The play was presented Friday, April 25 and the dinner theater production of Saturday, April 26.

This was the third year for the dinner theater production in Holstein. The evening began at 7 p.m. with a roast beef dinner catered by Maxine Arney. Members of the cast, in make-up and costume, escorted theatergoers to their tables and served coffee and milk during the meal. At 8 p.m. the play began.

Harvey is the story of Elwood P. Dowd, who believes he sees a six foot rabbit he calls Harvey. Elwood's sister and her daughter live with him but they neither see nor appreciate Harvey.

The play was directed by drama instructor, David Faris. Nancy Dittmer was the student director.

Science Is Fun

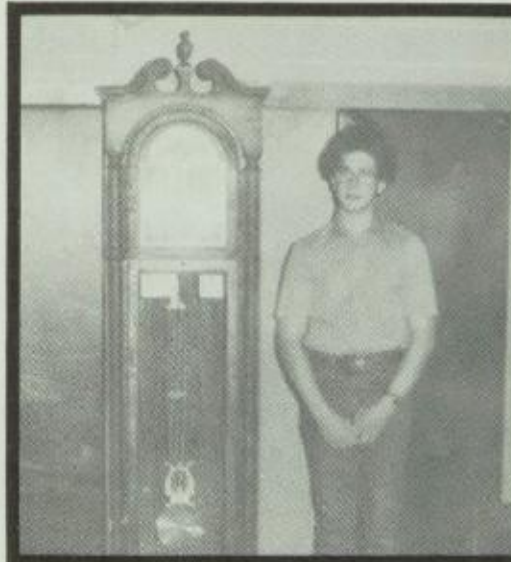

In April thirteen Holstein students traveled to the state science fair in Des Moines. The students included seventh and eighth- graders and highschool students. Ronda Butcher, with an excellent rating, received a \$25 award from the Iowa Methodist World Hunger Foundation for her project on "Plant Cloning." Other projects and ratings were: Steph Armiger, Good-bye Tadpole, Hello Frog - Superior; Karen Vollrath, How Sweet It Is - Superior; Dawna Cooper & Susan Streck, Diaper Powder - Excellent; Steve Hettinger, How Do You Spell Relief - Excellent; Lisa Specht, Epilepsy - Is It Really a Laughing Matter? - Excellent; Lisa Schmidt, Acne - Teenage Torment - Excellent; Tom Huenecke, Oh, Give Me a Home Underground - Excellent; Sherrie Warren, Astrology - Fact or Fallacy - Excellent; Penny Kielhorn, A Scent With Love - Excellent; Randy Kolb & Mike Rupert, When Will The Balloon Burst? - Honorable Mention. Instructors for the students are Dale Barringer, Denny Ohde, and Vic Vollrath.

Art - Ind. Arts On Display

Holstein's High School gym was the setting for a display of industrial arts and art exhibits the evening of May 19. There were displays of ball bats, coffee tables, stereo cabinets, gun racks, water bed frames, hall trees, wall hutches, room dividers, and Grandfather clocks. Art demonstrations included the potter's wheel and projects from elementary to high school students. The Home Ec department furnished refreshments.

Long Hours Of Work Are Recognized

The speech department included thirty members coached by David Faris. Eighteen students, somewhat of a record for the school, participated at the state large group contest at Algona in February. The four groups included, the group mime, which came home with a 1 rating; the one-act play; duet acting; and a solo mime.

Brigid Forristal and Laura Vollrath received certificates of excellence in the drama interpretation category at a speech tournament for about 40 schools in Mason City in December.

Sara Marsh brought home a trophy from the Cherokee invitational speech tournament for being named one of the top three contestants in the solo mime competition with her entry "The Infernal Machine."

Two small group entries went to state competition in March at Forest City and received 1's. Ronda Butcher read a prose selection entitled "Talent" and Don Ellerbusch participated in radio news announcing. Don was named an outstanding performer at the state contest and advanced to the All State Festival in April at UNI at Cedar Falls, and received a medallion for his participation. He was among 285 students chosen to attend.

SENIORS

The End Of The Era

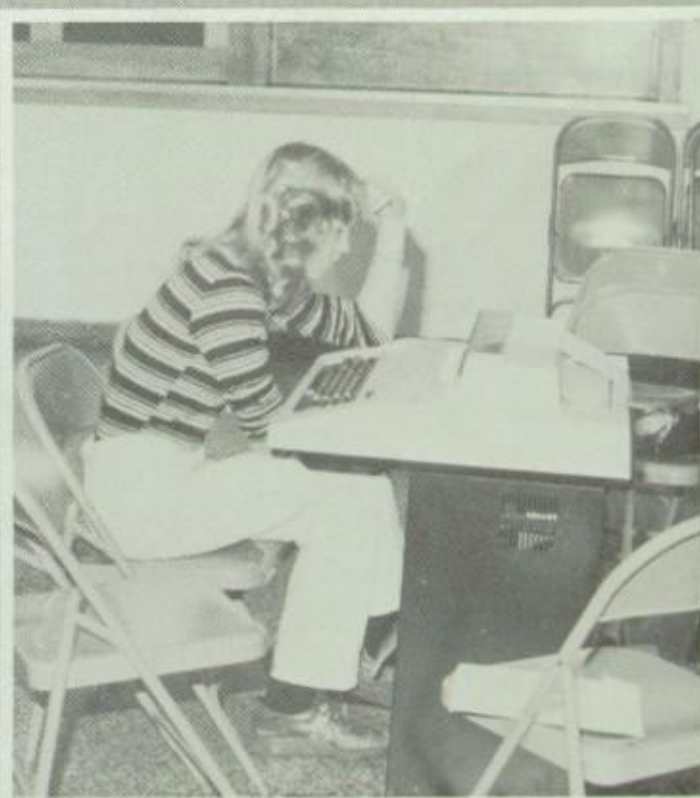

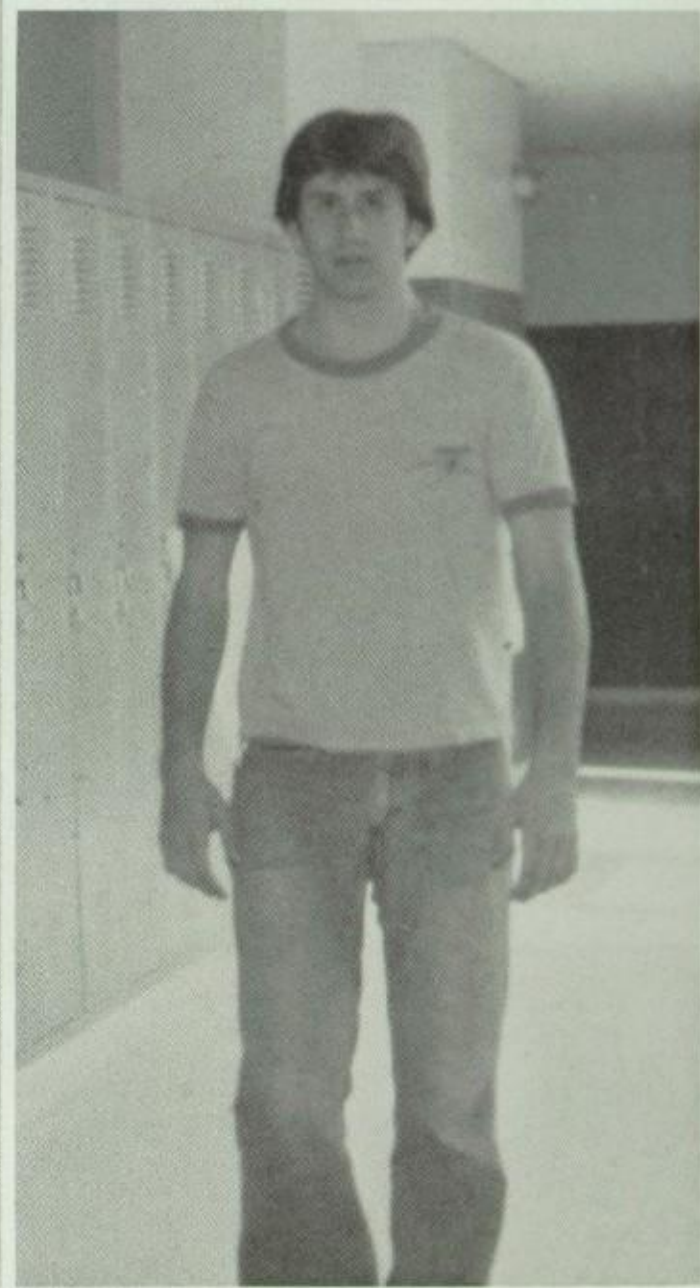

Did we ever believe we would arrive? Perhaps we came too fast. To some of us, it seems like we just started.

But here we are. We have seen a lot, been many places, and met new friends on our way. It is now the end of our high school days and we have to begin a new journey.

Yes, most seniors have had it pretty good over the last 13 years. But the true meaning of our high school years has evolved from day to day experiences that have occurred in school.

Even though many days seemed to drag by, the knowledge accomplished over the years usually stuck with us. Learning to share, think, and understand was another aspect of our school life we acquired, although some of us fought against these experiences.

Our senior year was filled with a lot of fun and now we find it hard to leave these times behind. Now the school year is over for us and we have many memories to look back to. Perhaps the most memorable will be the fact that we had the honor of being the last class of seniors to graduate from Holstein High School.

Four seniors spoke during commencement exercises. Don Ellerbusch, class president; Nancy Kistenmacher, vice-president; Laura Cronin and Tim Yates chosen by their fellow seniors to give speeches.

Commencement 1980 marked the final graduation for Holstein High, due to the reorganization of the Galva and Holstein school July 1, 1980. Escorts for the exercises were junior class president, Tom German, and junior class vice-president, Sandy Voss.

Moments of anticipation and joy marked our final days of high school. As we walked down the aisle at graduation many of us thought back on the years before and couldn't believe they had past and we hadn't even noticed.

Remember that football season last fall and the basketball games. Then the time came and we ordered our announcements and fitted our caps and gowns.

Now graduation is over. We have our diplomas and are free to go make it on our own.

It will be quite an adventure—making it on our own, but we are prepared and ready to begin.

Proud Past—Bright Future

Proud Past—this was chosen because of the pride which has existed over the years. Bright Future—this was chosen because of the excellent opportunities and learning experiences which await our young people. This is the theme as we come to the end of the Holstein Community Schools and the beginning of the Galva-Holstein Schools.

There is a lot of sentiment attached to our school, and this gives us reason to look back and see how far we have come and how much we've changed since our beginning. This also provides a marker by which we can look ahead to assess where we can go and what we can be. And so you've seen in this issue that Holstein, while looking back at its previous years of growth, continues to plan for the students of the future.

A brief look at Holstein High School in its formative years shows many changes have taken place since the town was formed in 1882. Early classes were held in the railroad depot and a temporary schoolhouse was moved to Holstein from a location east of town. The wooden schoolhouse shown on this page was built in 1884- 1885. In 1895 the old brick building was built in front of the frame one and both were used until 1916, when the new High School (now the Grade School) was built and the old frame building was dismantled. The auditorium-gymnasium was erected in 1950, and the new high school was added in 1960.

All the structures on this page are gone—but not the memories. Holstein has developed significantly since those early years. Graduates number 2,282. And so as we look to the '80's we look with excitement and expectation of what lies ahead for Holstein and Galva. We hope that the commitment and energy expended for the new school will be as significant to the school as what those people did in the early days of the formation of this school. Each of us has a role in determining what this institution will be in the future so that we can make the next generations as proud as we are of Holstein High School.

School Days

Until 1890 there were only eight grades in the school. In 1890 the High School was organized with about 60 pupils. The first class was graduated in 1893. In 1917 Physical Culture was added, also a Commercial course. Kindergarten was started in about 1919. Home Economics and Manual Training were added in 1920. In 1946 several school buses were put on the road and some country children were brought to town to school. Now there are no more country schools and all the children are brought to town to attend classes. Drivers' Training and the school lunch program began in 1950, and many other courses have been added through the years.

3. State Runnerups 1955
4. A team from the late thirties.
5. State Runnerups 1941—a two year record of 62-2.
6. Fred Barghols, timed many games.

3. 1974, Keith Whitham, State Champion Mile Run

When the cinder season started in March 1976, there were a few more curves on the Track! This was the year that girls added track to their schedule of activities. Although there have been many boys going to state meets, Laurie Lohafer has been our lone qualifier. Laurie qualified in the 1500 Meter Run in 1979.

A fall program of volleyball was established in 1979.

5. 1976, the first Track Squad
6. Laurie Lohafer, State Qualifier
7. 1979, the first Volleyball Team

Baseball 1967—Record 10-5

Front row: Dan Ehler, Mike Radke, Robert Leinbaugh, Marc Michaelsen, Mark DeSutter. Row 2: Rick Ehler, Bob Keitges, Mark Brosamle, Bruce Branco, Paul Boock, Ed Hansen, Rick Eckerman.

Golf started as a school sport in the late 1960's, and in 1979, the first team from Holstein went to a State Golf Tournament and competed against some of the big schools in Iowa. Members of this girls' team were Kris Vollmar, Clair Schubert, Stacy Vollmar, Lori Lasher, and Nina Barringer along with their Coach, Mr. Lasher.

This boys' team of 1973, finished third in district play after winning sectionals, but lost a state berth by eight strokes. Their total was lower than some state qualifiers, but only first and second place finishers advance to state. This squad of Kirby, Randy, Doug C., Scott, Mike and Doug S. concluded the golf season with a dazzling 8-0 record. Shown in the picture: Bob Hesser, Kirby Goettsch, Bob DeSutter, Rick Fouts, Augie Hanson. Row 2: Mike Hanson, Doug Clausen, Scott Hompland, Doug Soseman, Randy Vollmar.

We would like to thank the Alumni Association for the help we received in updating all the addresses of all who graduated from Holstein High School. The last list was published in the 1945 MOO. From 1893 to 1980 there have been 2,282 graduates. We have done our best to obtain an accurate address for all of them. An asterick by the names of the 23, who we were unable to trace, indicates their last known address.

A special thanks must be given to Gladys Weede Raabe, Class of 1929, for all the help she gave us with this list. Her many hours of work helped make this list possible. Gladys has been a friend to many as she worked in the business office from the time she graduated until her retirement in 1976—a total of 47 years. Thank you Gladys for all you've done!

These, too, have wandered through our halls.
